## WORK ON NEW HOTEL WILL BEGIN AT ONCE

The work of removing the three buildings at present occupied by the Star theater, Elkhorn restaurant and Mrs. Luper's millinery store at the southeast corner of Main and Willow streets, will be commenced at once, and as soon as these are out of the way, excavating for the new hotel building of Heppner Hotel Company will be started.

At a meeting of the stockholders of the company held on April 29th, the following board of directors was chosen: W. P. Mahoney, J. W. Beymer, John F. Vaughn, Jack Hynd and R. F. Wiglesworth. Immediately following the stockholders meeting, the board of directors met and elected John F. Vaughn, president, R. F. Wiglesworth vice president and C. L. Sweek secretary-treasurer.

At the stockholders meeting it was decided to begin construction work at once, and plans are now being prepared for a three story building, 62x132 feet and basement. To start the work, a 50% levy has been made on the stock subscribed, to be paid in by the 15th of May, by which time it is expected that the plans and specifications for the building will have been accepted and bids called for.

The Company hopes to have the new hotel ready for occupancy by the latter part of the summer.

## DORIC LODGE, K. OF P. ENJOYS SOCIAL EVENING

Doric Lodge No. 20, K. of P. had a very pleasant social evening at their castle hall in I. O. O. F. building on Tuesday evening, at which time a number of members of the order, their ladies and many invited guests were present to enjoy the program and partake of light refreshments.

Addresses were made by Rev. H. A. Noyes and Rev. Frank A. Andrews, each speaker dwelling largely upon the beneficent work of the fraternities. W. C. Worstall, a brother Knight, of Lexington, was the main speaker to have appeared on the program, but he was prevented from attending, so Revs. Noyes and Andrews were called upon rather unexpectedly but made good talks on the subject, nevertheless.

Orchestra music was furnished by Roy Cochran, J. W. Godfrey, Mrs. C. L. Sweek and Miss Leona Leach. A chorus consisting of Mesdames Cochran, Turner, Misses Lane, Cason and Messrs. Cochran and Clark rendered a splendid selection, and there were vocal solos by Mrs. Chester Darbee, Miss Gladys Lane and Miss Zelma Engelman, and xylophone solos by Miss Leona Leach, of Lexington, all of which gives an estimate of the high class of the musical part of the entertainment.

W. W. Smead was also one of the principal performers on the program and it fell to his lot to administer "punishment" to a member of the order who had transgressed the rules recently by committing matrimony without first having informed his brethren of his serious intentions. After some explanation of the seriousness of the offense, the Master at Arms was instructed to bring Mr. John MacAnally to the front that he might be reprimanded in due form, and considering that Mrs. MacAnally was equally guilty, she was also brought up beside her husband, whereupon Mr. Smead, in a few well chosen words, presented them with a beautiful silver bread tray on behalf of the lodge, as a token of esteem in which they were held by the members and expressed to them hearty congratulations and best wishes for their future. Mr. and Mrs. MacAnally received their "sentence" amid a confusion of smiles and blushes and were then heartily congratulated by those present.

Following this refreshments of ice cream and wafers were served.

E. R. Huston returned home on Thursday last from a visit of several days at the home of his father, John Huston at Albany. The senior Mr. Huston has been in very poor health of late, the result of an attack of influenza.

## MISSIONARY ORGANIZES 2 NEW SUNDAY SCHOOLS

Clark M. Smith, missionary of the American Sunday School Union, was in Morrow county last week, and he gives us the following account of two Sunday Schools organized while he was here.

Great interest in the welfare of the community was shown Sunday, April 27, when twenty-six people met for a service in the Rugg district on Rhea creek and expressed themselves as anxious to have a Sunday school. The following were elected as officers:

A. L. Pemo, superintendent.  
R. S. McClimans, assistant supt.  
Miss Rose Stephens, secretary.  
Miss Verna McClimans, librarian.  
In the afternoon an attendance of twenty-one in the Mattison district just as enthusiastically expressed themselves as desiring a Sunday school in a like service, and the following were elected officers:

Mrs. Charlotte Brown, supt.  
Mrs. E. Mattison, assistant supt.  
Miss Freda Brown, secretary.  
Miss Orpha Hogeland, librarian.  
The boys and girls of these communities have shown great anxiety for the Sunday school and we surely owe it to them as older ones to give it to them. This was so clearly shown when in another district an opportunity was given but no one to superintend the school could be found, even though all the boys and girls expressed themselves in a vote as wanting a Sunday school, and afterward one boy said "why couldn't we have a Sunday school here." Any assistance in way of visits to these schools will be appreciated.

## MORO HIGH WINS FROM HEPPNER HIGH

In the game between the Moro and Heppner schools on the Heppner grounds last Friday afternoon, the former won in a ten inning game, 8 to 7. The day was anything but pleasant for the ball players the contestants having to battle with wind and dust as well as with their opponents, and the bad weather conditions also made it very unpleasant for the fans. The contest was a close one all the way through, though Heppner lead off well in the beginning and seemed to have fair prospects of winning. She was weak, however in the field, and it was there the home team fell down. Moro played a winning game with the lone team on Saturday. At the high school building on Friday evening the student body entertained the Moro ball players in royal style, forgetting and drowning their disappointment on losing the game, in the pleasures of the evening.

### Auto Goes Into Ditch.

While trying out his automobile Tuesday afternoon, G. F. Steel, jeweler at Ione, met with an accident that might have proven very serious. He was returning to Ione from a run up towards Lexington and had crossed the bridge near the McMillan place and attempted to take the hill beyond without changing gears, when the engine went dead and the machine backed down and off the bridge into the ditch, a fall of about six feet and the car turned over on Mr. Steel. He got out with a broken wrist and some minor bruises. The car he was driving is a Paige and he had just secured it the day before, hence he was not very familiar with handling the machine.

Funeral services will be conducted at the Christian church at 2:30 p. m. Friday, Frank A. Andrews, officiating. Burial will be in Masonic cemetery.

## TROPHIES CARRIED HOME BY HEPPNER TRACK TEAM

For Once Our School Athletes Secure Lion's Share of Honors—Track Meet at Ione Saturday.

Members of the Heppner High School track team, as well as all others attending the track meet at Ione on last Saturday, returned home late in the evening, bubbling all over with the joy of victory. They were in fact, a pretty noisy set, and autoed up and down the streets, pulling off the class yells and exhibiting the trophies won. For once Heppner had come home from Ione to announce that she had won the most of the victories in the contests in which the pupils had engaged.

The day was ideal for the sports, and each event went off in good shape and on schedule. The best of feeling prevailed and the rivalry, though keen, was friendly and is considered one of the best events ever pulled off between the schools. Two schools, only, had teams there, but Lexington and Boardman were represented in some of the events. Heppner won the big silver cup.

For Heppner, Everett Pattison made the highest individual score of 20 1/2 points, while Edward Notson came second with 18 1/2. Pattison received the gold medal. No interscholastic records were broken, but several new records were made for the county.

### Disposes of Lexington Shop.

James Thomas, Lexington barber, has disposed of his shop at that place to W. H. Keeler, who comes from Burns. It is the intention of Mr. Thomas to leave Lexington about the middle of this month for the Alsea country, where he will go into partnership with J. T. Kirk in the dairy business. Mrs. Thomas will leave in a few days for the new home and Mr. Thomas will go later. He is compelled to make this change to a lower altitude on account of the poor health of his wife.

## NEW COUNTY AGENT TO ARRIVE MAY 16

Lawrence A. Hunt, of Lower Bridge, Oregon, has been appointed County Agricultural Agent for Morrow county to succeed F. R. Brown, who resigned some weeks ago.
